*Performance You Demand. Reliability You Trust.*

# Quincy Training Registration

11/2018

Version 1.1

Navigate to:

[QuincyHQ.com](http://QuincyHQ.com)

The Quincy logo is positioned in the bottom right corner of the slide. It features the word "Quincy" in a bold, black, sans-serif font. The background of the slide is a light gray with a faint, repeating pattern of circuit board traces. A solid dark blue horizontal bar runs across the middle of the slide, separating the navigation text from the footer.

**Quincy**

# QuincyHQ.com

From (1) QuincyHQ.com you need to navigate to the (2) Quincy Compressor Training section under Resources.

The screenshot displays the QuincyHQ.com website interface. A red box labeled '1' highlights the address bar containing the URL <https://www.quincyhq.com>. The navigation menu includes links for Home, News, Resources, Account, and Message Board. A red box labeled '2' highlights the 'Quincy Compressor Training' option within the Resources dropdown menu. The website features the Quincy Compressor logo, a 'messageXpress' banner, and sections for Message Board, Latest Updates, and HQ Toolbox. The HQ Toolbox includes links for Virtual Engineer, Virtual Library, Distributor WANt, Serial / Assembly Inquiry, and Startup & Warranty Registration.

# Course Details

After clicking on the class name you can see greater detail about the class.

1. Click on “Register” to enroll in a class.

The screenshot displays the 'Generalist 1' course page on the Quincy Compressor website. A red circle with the number '1' highlights the green 'Register' button in the top right corner. The page layout includes a header with social media links and a breadcrumb trail 'Home > All > Generalist 1'. The main content area is divided into several sections: a description of the class, contact information for Andrea Pace, a map of the Quincy Compressor location in Bay Minette, AL, and a media gallery. The right sidebar contains sections for 'Dates and Times', 'Facilitators' (listing Justin Mayfield and Chris Wallis), 'Additional Offering(s)', 'Availability' (showing 14 open seats), and 'Pricing' (\$300.00 - Distributor).

**Generalist 1**

This class provides general maintenance and technical information on Quincy's full product range, including rotary and piston air compressors, vacuum pumps, controls and accessories. This class covers basic electrical safety, theory, and operation as well as the description of basic electrical and mechanical components found in Quincy compressors. The brief controls introduction provides attendees with a better knowledge and understanding of the unit control options Quincy offers. Attendees will gain knowledge in operating, maintaining, and troubleshooting the various types of Quincy Compressors.

**Contact**  
Andrea Pace  
andrea.pace@quincycompressor.com

**Location**  
Quincy Compressor, 701 N Dobson Ave  
Bay Minette, AL 36507  
Room: [None]

# Complete Registration

1. If you have registered for a class previously, you can login with your email address as the username.
2. If you have not registered for a class previously then you click “Create Account” to complete your login information.

The image shows a web browser displaying the Quincy Compressor website. At the top right, there are links for Home, Create account, Calendar, and Login. The Quincy Compressor logo is centered at the top. Below the logo, a shopping cart icon shows 1 item. A welcome message "Welcome Visitor" is displayed. A progress bar with four steps is shown: 1. Log in/ Create Account (highlighted with a red circle and number 1), 2. Review, 3. Payments, and 4. Receipt & Confirmation. The main content area is divided into two sections. The left section, titled "Please login below", contains a login form with fields for Username (containing "name@mycompany.com") and Password (containing "\*\*\*\*\*"). A "Forgot your username or password?" link is below the password field. A blue "Login" button is at the bottom of the form. The right section contains the text "If you are a new user, click below to create a new account." and a blue "Create account" button, which is highlighted with a red circle and number 2. The footer at the bottom of the page reads "©2018 Quincy Compressor. All Rights Reserved."
